London Postgraduate Credit Management College, UK

Have a Breakthrough In Life In UK With Career In **CREDIT MANAGEMENT**

Looking to work as credit manager, credit analyst, credit controller, debt recovery manager, credit risk offer, receivables manager, debt purchase executive, etc

The London Postgraduate Credit Management College (LPCMC) is now admitting students for professional/academic programmes in Credit Management with each of the following courses running for 24 months duration on a part-time basis.

International Certified Credit Executive (ICCE)
International Certified Credit Associate (ICCA)
International Certified Credit Fellow (ICCF)

{ The higher professional qualifications in credit management awarded by the LPCMC, UK.

LPCMC's Accreditation by International University, Panama (IUP) affords LPCMC's students (undergraduates and postgraduates) the opportunity to earn specialist degree in credit management recognised and acceptable by global markets and systems.

London Postgraduate Credit Management College (LPCMC) therefore signed a bilateral memorandum of understanding agreement with the International University, Panama (IUP) to the effect that student who complete LPCMC's **ICCE, ICCA, or ICCF** programme successfully can be considered for full credits transfer toward the IUP degree subject to the final completion of a project paper demonstrating high level of academic rigor and knowledge in credit management.

The International University, Panama, a Central American higher education institution whose degree certificate is issued in Spanish language is an accredited university established by law of the Republic of Panama and supervised by the Panamanian Government's Ministry of Education. IUP is reputed for quality academics and listed in the UNESCO World Handbook of Universities, thus making degrees awarded by IUP globally recognised.

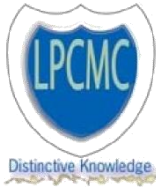

If you are an undergraduate or a professional, looking to become a holder of recognised and accredited university degree, this is a good and sure route to earn IUP Bachelor of Arts degree in credit management. What's more, as a work-and-learn programme, the combined LPCMC/IUP tuition fees are far lower than what obtains in similar institutions. Rich credit management study packs will be provided for student in addition to weekend class which the student will be required to attend.

our lecturers are PhD and Masters Degree holders in credit management, accounting, financial management, banking, commercial law, business administration, and others.

LPCMC's months of student recruitment are January, February and March. Admission closes first week of April with classes resuming; only few cases will be considered for late admission but not exceeding April.
